In the event a supplier or carrier does not perform according to contract, FBA will do its best to remedy the situation. FBA reserves the right to substitute accommodations or services of comparable quality, or make revisions to the trip itinerary if the advertised choices become unavailable or for any other reason. All prices are based on rates contracted many months in advance of the trip dates and are subject to change without notice. Any unexpected rate increase or change in suppliers' policies will be the responsibility of the trip participant.

The FBA will do everything in its power to prevent this occurrence and therefore will appreciate the participant's cooperation in meeting the deadlines of payments according to the agreed upon schedule above.

## Trip Participant Registration Procedures and Policies

Complete this "Participant Registration" form in full. One form is required from each passenger. Please return this form and the first payment to FBA by the due date to **Forever Bloom Alliance, 6927 S.W. 115 Place, Suite A-38, Miami, Florida, 33173**. Include participant's name on the front of the check. Pay all remaining payments online through [PayPal](#) or send them in by mail. Space is limited and reservations are on a first come first served basis. The price of the trip is based on a minimum number of participants. Once the minimum number of participants has registered, and the confirmation deposit is paid, the trip will be confirmed. In the event the group does not attain that minimum number, the group leader will make the decision whether to cancel the trip, increase the price of the trip, or deduct services or options to make up for the missing participants. If the trip is canceled, every participant will receive a refund of all payments made towards the trip.

All questions and special requests should be directed to the group leader. You will receive from the group leader the final itinerary, emergency contact numbers, and information regarding flight and accommodations prior to trip departure.
